Dear Mrs Robinson

09/03847/FUL - CARAVAN PARK, TOFT HILL FARM, HILL ROAD, KIRKBY IN CLEVELAND

I refer to your email dated 18 December 2009 in relation to the above.

The Highway Authority would still have concerns with regard to the development and the extra traffic it would generate on Hill Road. Passing places may go some way to alleviate the problem of vehicles trying to pass each other but there is still the potential conflict between vehicles and the recreational users of the lane eg walkers and horse riders.

We would therefore still wish to stand by the recommendation of refusal. If planning permission is granted and there is a condition relating to the provision of passing places then we would comment on any proposed layout.

If you require any further information please contact me.

Yours sincerely

Tony Lewis

Please could you comment to what extent the provision of passing places would address your concerns about the intensification of the use of the lane.
